About the Foundation

The mission of Midway ISD Education Foundation is to generate and distribute resources to the Midway Independent School District for programs and projects that enhance the quality of education.

The Foundation provides funds to enhance education programs and activities that either have not been funded or have been under-funded by the normal operating budget.

This support is used to help improve student achievement and skill development, as well as recognize and encourage staff excellence.

Lorie Crowder | WWE Music

"The work of the Foundation is critical to giving the students of Midway the extra opportunities, equipment and experiences that take students from a great education to a stellar one here at Midway ISD."
