

What I Wish I Knew Then

1. Throw away any preconceived notions you have. Be willing to learn and change.

2. You are going to walk into challenges. That's okay. You can handle it!

3. No matter what your structure is, find a way to walk with your district.

4. We're not on an island. We have a network of resources in each other!

5. We're not competitors! We are a family and all rise with the high tide.
